

Craft Workshop Evening

By Hannah from the Clayton Horticultural Society
Thursday 28th November, 6-8pm at the Village Hall

Hannah began entering the Clayton Horticultural Show from the age of 8. She is the fourth generation of her family to participate. Her great grandfather was a regular winner with his roses. Currently she is honoured to judge the handicraft and children's classes.

This workshop will begin with some background on felt crafting, stitches, embellishment and fun ideas.

Participants will then choose and create their own felt decoration from a range of projects suitable for all ages and skill levels.

£2 to members, £4 to non-members, accompanying children free.

Booking is needed so that Hannah knows how many resources to prepare, but payment is taken on arrival.

To book email secy@claytonhorticulturalsociety.org.uk
