

Craft Workshop Evening

By Hannah from the Clayton Horticultural Society
Wednesday 3rd December, 6-8pm
at the Village Hall

Hannah began entering the Clayton Horticultural Show from the age of 8. She is the fourth generation of her family to participate. Her great grandfather was a regular winner with his roses. Currently she is honoured to judge the handicraft and children's classes.

This workshop will begin with a quick demonstration.

Participants will then create their own Christmas cracker and Christmas decoration. Suitable for all ages and skill levels. Please bring a kitchen roll tube if possible.

£2 to members, £4 to non-members, accompanying children free.

Booking is helpful so that Hannah knows how many resources to prepare, but not essential and payment is taken on arrival.

To book email secy@claytonhorticulturalsociety.org.uk
or phone/text 07722431254
